Postcolonial Interventions (ISSN 2455-6564)

Call for Papers

Vol. IX, Issue 2 (June 2024)

Postcolonial Interventions invites scholarly articles for an OPEN ISSUE to be published in June 2024. As this call is being circulated, the people of Palestine continue to suffer with excruciating agonies inflicted on them by Zionist imperial aggression, right-wing forces of xenophobia, discrimination and intolerance continue to gather momentum across the world, inequality and ecological crisis continue to escalate and new forms of precarity are being constantly negotiated. The next issue of Postcolonial Interventions seeks to explore such issues and more based on postcolonial experiences across the world.
